

36TH ANNUAL
BCASP CONFERENCE
2024 VANCOUVER
NOVEMBER 06-08 | PINNACLE HARBOURFRONT HOTEL

CALL FOR ABSTRACTS

BCASP CONFERENCE RESEARCH SESSION

School psychology covers a broad scope of emerging research. We are pleased to invite abstract submissions in areas such as education, educational psychology, inclusive education, counselling psychology, clinical psychology, school psychology, and other relevant fields. We also welcome presenters currently in practice who are finding new applications for research to be integrated into the social and cultural contexts of our schools.
